Dear Hill College Community,

***Re: IMPORTANT Community Notice – Hill College Closure***

It is with a deep sense of gratitude and reflection that we write to inform our community that Hill College will be concluding its journey at the end of Week 6, following consideration and guidance from Great Southern Grammar (GSG).

Hill College was established to support student learning, foster a culture of collaboration, and provide innovative opportunities for personal and academic development. Over the past months, our community has grown in strength, commitment, and vision. We are incredibly proud of what we have achieved together.

Following a recent review and based on recommendations from GSG leadership, we have decided to bring the Hill College initiative to a close. We have followed instructions and are planning to close our website and social media platforms.

We would like to sincerely thank all students, staff, and supporters who contributed to Hill College's mission. Your enthusiasm, creativity, and dedication have made a lasting impact. We encourage you to carry forward the spirit of Hill College – of initiative, curiosity, and community – in all you do.

If you have any questions or would like to discuss the transition further, please do not hesitate to email [charliehill@hillcollege.org](mailto:charliehill@hillcollege.org)

Kind Regards,

Charlie Hill
